

## **Design change notice of packing box of IGBT modules**

### **Add a new color to plastic tray and change logotype on the packing**

First of all we want to thank you for your loyalty and trust and for purchasing our products in the past.

As announced on Dec. 12. 2014, (Rep.No is RSG0B-0152) "Design change of IGBT modules packing box", we implemented the change of the plastic tray and inner cover from carton box.

This time, for the purpose of acquisition of packing box, we will add a new color to the plastic tray and change logotype on the packing box.

Also, Shape form of plastic tray for Group0 and Group1 will be changed.

We are planning to start shipping of the related products as shown in the schedule below.  
 We appreciate if you could understand the above-mentioned situation and continue to give us your patronage.

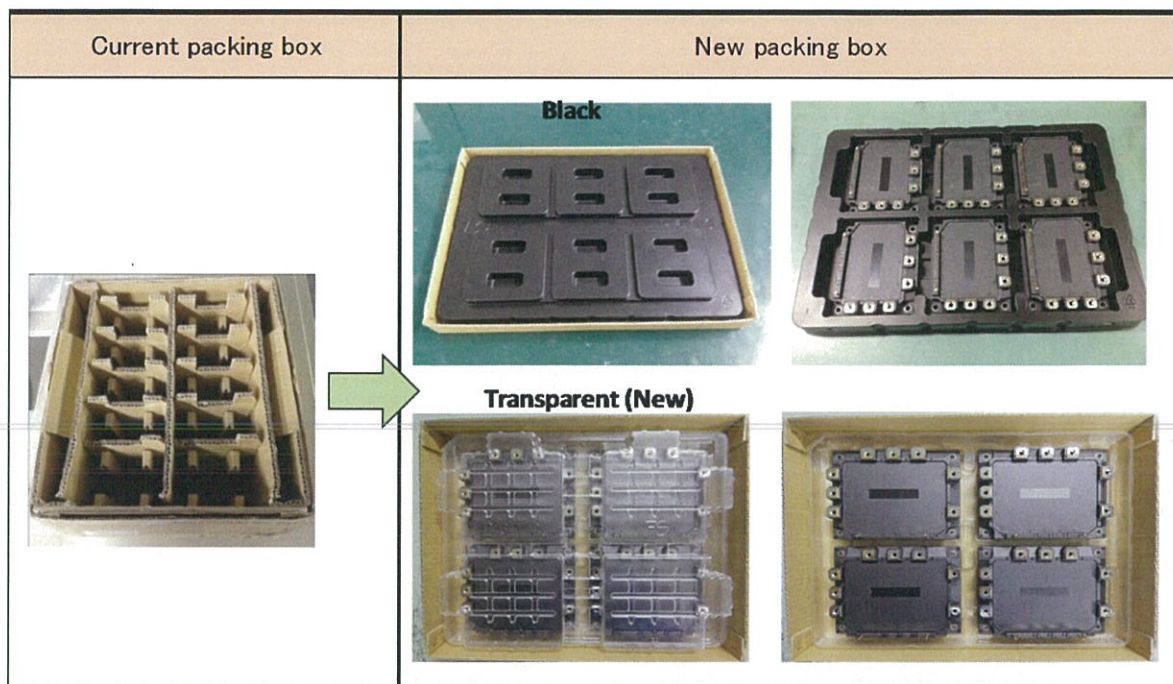

#### **1. Applicable products and schedule of production (#See attachment)**

- IGBT modules for general package.

	PrimePACK™	M271/M272				
	IPM	P619/P629/P626		From October ,2016		

## 2.Contents of the change (Example)

### 1)Add a new color to plastic tray(Same material)

### 2)Change logotype on the packing box

## 3.Reason of this change

- Standardization of packing box specifications and unification of packing box logotype.  
We will gradually applied the logotype chage to all packing box.

## 4. Quality assurance

- There is no specific change in the product specification.

If you have any questions or concerns regarding this matter, please contact our local sales person.

Note: EconoPIM™, EconoPACK™+, PrimePACK™ are registered trademarks of Infineon Technologies AG, Germany.
